

Home

Grid layout per the following elements

1. **Row 1**
 - 1.1. **About:** static, editable text + static link to about page
 - 1.2. **Featured activity 1:** select an activity to be featured. Tag is dynamic.
 - 1.3. **Creator:** Displays a creator AT RANDOM
2. **Row 2**
 - 2.1. **Featured activity 2:** select an activity to be featured. Tag is dynamic.
 - 2.2. **Upcoming play:** select an upcoming play (meaning a play with a valid upcoming date) to be featured. Selection should be AT RANDOM if possible, and should prioritize a pool of plays in the next 30 days, only defaulted to a date range beyond that if none are available.
3. **Row 3**
 - 3.1. **Featured activity 3:** select an activity to be featured. Tag is dynamic.
 - 3.2. **Education:** a constant element with a static link to the education portal

Activites

- Sort
 - date (default)
 - a-b
- Filters
 - as in design
- **Grid**
 - Picture
 - Title
 - Subtitle
 - Upcoming dates

Activity single

(same design as education single)

- title
- picture / slideshow
- date, time, location, signup link
- text
- extra text at the bottom for links

Plays

Sort

- By upcoming date (default) - this filter does not show plays without dates

- By A-B - this filter shows all plays, even those without dates

Filter

- What is there isn't necessarily up to date. The filters will most likely be:
 - מותאם סל תרבות [binary]
 - מותאם תרבות לפריפריה [binary]

Grid

Each play shows the following information

- Picture
- Name of play
- Name of creator
- Closest upcoming date (if it exists) + # of other dates (if they exist)
- When clicked, a lightbox opens up with the play itself

Plays single

- title
- slideshow
- if relevant - list of expandable dates
 - date
 - time
 - location
 - tickets link
- text
- additional text - credits
- if relevant - download technical rider (PDF)

Educational

Filter 1

Depending on what filter is selected, filters AND sort changes

- Workshops for students (selected by default)
- Workshops for teachers

Workshops for students

- NO sort
- **Filter 2**
 - the options in the design
- **Additional details**
 - the options in the design
- **Grid**
 - Picture
 - Title
 - Subtitle

Workshops for teachers

- Sort
 - date (default)
 - a-b
- **Filter 2**
 - the options in the design (for now, but they may end up being different)
- NO additional details
- **Grid**
 - Picture
 - Title
 - Subtitle
 - Upcoming dates

Educational single

- title
- picture / slideshow
- if students - link to contact to order
- if teachers - date, time, location, signup link
- if workshop taught by a creator - link to creator
- text
- extra text at the bottom for links

Periphery Culture

- this is actually just a link to the plays page with the periphery filter turned on

Creators

The info here is NOT editable by creators, except maybe the post excerpt?

Grid

- picture
- name
- Expandable text - post excerpt from Creator single>

Creators single

Appears as its own webpage. This is editable by a given creator. Only admin can make a new creator or delete an old one.

- Title
- Slideshow
- custom contact links
- main text

- up to 2 pull quotes on the left

Plays and workshops

(automatically generated from plays and workshops connected to this creator. Creator can edit, create and erase these)

- upcoming dates (if relevant). if more than 2 dates, have # more dates like on plays page
- Title
- Subtitle if relevant
- picture
